

Color-mixing chart

Name: _____

In each circle mix its row color with its column color. Pure colors on the diagonal. Lesson 03.1.

Mixing grid

	yellow	red	blue	white	black
yellow	pure				
red		pure			
blue			pure		
white				pure	
black					pure

Light color first, then add the darker one a little at a time.

Write your recipe under a circle, e.g. "yellow 3 : blue 1".

Extra: try pink + blue next to red + blue.

Tint and shade ladders

	lots of white	white	a little white	pure	touch of black	a bit more	more black
red							
yellow							
blue							
green (mix)							
purple (mix)
